

The Historic and Botanic Gardens Training Programmes

(Historic and Botanic Gardens Bursary Scheme)

Earn a salary while developing your professional skills in some of the best historic and botanic gardens that the UK has to offer!

Choose the placement that suits you:

One year placement

Receive a full time, paid placement in a historic or botanic garden.

Work alongside the gardening team throughout the seasons.

Learn about all aspects of managing a historic garden.

Develop practical skills and increase plant knowledge.

or

Two year placement

Develop your skills through a two year practical placement in a historic or botanic garden, on a full-time, paid basis.

Earn a Royal Horticultural Society Level 3 Diploma in Horticulture.

Learn about all aspects of managing a historic garden.

Earn additional skills certificates (x2) and attend bonus heritage gardens module.
